AI Foundation (Class 6-8): 2 Months

Data Literacy, Computer Vision & Teachable Machine

AI Builder (Class 9-12): 2 Months

Python Programming, APIs & Real ML Models

Weekend batches | Online & In-Person | Certificate

For Schools & Centers

- ✓ **Contractual AI faculty** (1-2 days/week) seamlessly integrated into your timetable.
- ✓ **Full curriculum provided** — zero effort for your teachers.
- ✓ **"AI Lab by CogniGuru"** for your premium school branding.
- ✓ **Free demo class** — no cost, no commitment. Evaluate before you partner.

Why Learn AI Now?

- ✓ CBSE & NEP 2020 mandate AI/computational thinking education from early years.
- ✓ Most schools do not have qualified AI teachers — your child falls behind without intervention.
- ✓ AI/ML Engineers earn Rs.15-50 LPA — India needs 1M+ professionals by 2030.
- ✓ Early starters get a massive 5-year head start on their peers.

FREE DEMO CLASS — Register Now!

60 minutes | No cost | Students train their own AI model live
